A GOOD CUSTOMER EXPERIENCE

MOTIVATE AND EXPRESS.

Design is as personal as taste is to food. Presentation is most important for that initial impression.

Bobby K Architects is committed to the details of designing your project and expediting the building permit process. In most instances we will obtain "Same Day Approval" through the use of our expediting services.

Our clients can realize their living or working environments quickly through this process if so chosen.

We will expertly design Your Project; Present Your Project to your local Condominium Board or Co-operative board. We will also prepare all City, Local and Building Department paperwork and obtain the necessary design approvals required for your contract or to begin his work.

WE ARE
COMMITTED
TO YOUR
MOTIVATION
AND
EXPRESSION.

We will design
your lighting, represent your
design project, and professionally
present to you with pride and
passion in
all we do.

RETAIL

RETAIL

We collaborate so your project leads to clean, rich, imaginative designs that brings innovation through function coupled with a deep respect for the traditions of everyday living. A focus directly on the detail of design is apparent in the context of the relationship between lighting, open space and functionality.

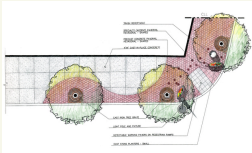

We take the time to be personable and get to know how to represent your best design and presentation placement. Bobby K Architects technique and building experience offers professional services coupled with a knowledgeable, experienced team's expertise in your company's commitment to quality design presentation, We present to you our ideas, and leave the rest to you. Our clients walk away with a clear idea and scope of your project, and offer excellence, resulting in reflecting your company's commitment to quality.
